## ADDITIONAL RIVER NEWS.

CINCINNATI, April 23.—The river has  
fallen 8 inches since last Saturday. There  
have been heavy rains since last Saturday,  
and it is still raining. Thermometer 40.  
Barometer fell to 29.75 last night, and now  
rising rapidly.

LOUISVILLE, April 23.—The river is fall-  
ing slowly; 5 feet 10 inches in the Indian  
channel; 7 feet 8 inches in the canal.

The late arrivals last night were the  
Nightingale, Cincinnati to St. Louis; Ariz-  
ona, St. Louis to Pittsburgh; Liberty No. 2,  
Memphis to Louisville. The Night-  
ingale was packed full of freight from Kel-  
son to the Texas. The Arizona had a  
full load for herself and a barge. The  
Liberty No. 2, unexpectedly to us, arrived  
late last evening, having been detained by  
bad weather. Capt. Judge's dispatch to us  
was dated wrong by the Cairo operator.  
She had a moderate trip, discharging only  
40 bales of cotton at this port for R. K. Dun-  
ken & Co. She broke a hog chain, yester-  
day, and lay over here an hour or two  
to repair. She will be down on Thursday.  
Capt. Ed. Judge and Mr. Stewart, her at-  
tentive clerks, have our thanks for late pa-  
pers.

## MARKET REPORTS.

## Monetary and Commercial.

EVANSVILLE, April 23.

The money market is now in an easy  
condition, and the supply of currency is  
more than equal to the demand. Good  
thirty days' paper on New York or New  
Orleans can be negotiated at 8 to 9 per cent.  
interest; longer time bills at 9 to 10 per cent.

The Exchange market is well supplied  
and rates unchanged.

The late rains will give the tobacco oper-  
ation a tobacco season, and Exchange will  
in a few days, be more plenty, and the  
rates consequently easier. The regular  
rates are par to 50c premium buying, and  
1-10 premium selling.

Gold is without essential change. The  
New York report gives the closing rate  
yesterday at 129 1/2. We quote it as follows:
